4R Technology Review Field Day
Tuesday, July 25, 2017

You're invited

Retailers, farmers and others are invited to a free 4R Technology Review Field Day at Dave Legvold's farm in Northfield.

Hosted by the Minnesota Agricultural Water Resource Center (MAWRC) in partnership with The Mosaic Company, Environmental Tillage Systems, The Fertilizer Institute and other industry leaders, this free event will provide attendees:

- Information on 4R practices
- Research and technology sessions
- Demonstrations

Guest speakers will include Tim Radatz, MAWRC; Mark Dittrich, Minnesota Department of Ag; Jeff Vetsch, University of Minnesota; Melinda Sposari, TFI; Steve Emory, CPS; and Adam Herges, Mosaic.

Continuing education credits will be available for certified crop advisers in attendance.

See you there!

Tuesday, July 25, 2017, 9:00 a.m. to 4:00 p.m.

Dave Legvold farm, 5103 315th Street West, Northfield, MN 55057

Lunch will be provided.

Register Today.
